MY RADIO HISTORY

1992-95 Founder *of* **Council For The National Interest - CNI**

A civic minded organization, that resulted in my public speaking and being a guest on numerous radio stations around the country. I also brought Australian and Canadian political concerns on air with my own organization, while we were live-broadcasting world-wide on international short-wave and other radio bands.

1996-98 Founder *of* **United Truckers Defending The Constitution - UTDC**

A civic minded organization, that resulted in my being a guest on numerous radio stations around the country. I was then, offered my own International Radio Program, which became the Flagship for my organization called: **America's Driving Force - ADF**

I hosted this One Hour Program every Sunday from various parts of the country, while interviewing various other law researchers and authors. Broadcast by AmeraNet Broadcasting from Tampa Florida, by international short-wave radio and Galaxy satellite which allowed various other AM and FM stations to simulcast the signal.

2001-2004 Creator *of* **Following The LOST Phoenician Trail -** *Audio Series*

A program series that defined how our modern time has been influenced by our ancient past. I produced this mini-series while being the guest on various other networks and with other friends who had their own radio programs.

2001-2012 Creator *of* **The *Forbidden* History and The Other LOST Writings -**

- A Radio Program And An Audio Series -

This is My Flag-Ship Radio Production, centered around fifty+ years of study on the ancient past, being a collector of lost, forgotten, or stolen ancient documents, and as well as being a translator of the original thought based on the ancient Aramaic, the original 'Sanskrit,' and having broken the 'CODE' within our modern English diction.

Most ALL of our history has been distorted and rewritten, by what I call The Unseen Hand. By deduction and then, ancient evidence, I prove out, as example, that ALL UFO phenomena is earth based and that they were created by the ancient Aryan priesthood all at the same time that they were building pyramids all around the world, etc.

In essence, I tell the history of mankind as it has never been fully presented, while setting the record straight. There are no aliens in my story other than man.

If you want to know The Future, then you must look for The Forbidden History !

2004-2011 Creator *of* **We Are ALL Doing Time -**

The Victim And Prison Out-Reach Program ...

You know, it doesn't matter whether you are on the in-side or on the out-side, because ...

We Are ALL Doing Time!

A *vital program* that has been dedicated to bringing forward the public awareness and revealing the plight behind the many injustices, the blatant wrongs and the *brutal Torture* that is occurring within the U.S. today, including the mass-incarceration of many tens of thousands of innocent people. This forum gave families the platform too tell their stories and the prisoners an opportunity to have their letters read out over the air.

This program led to the spin-off of other related victim and law related programs hosted by many others that I produced.

2004-2012 Creator *of* **The ULTIMATE Health *Break-Through* -**

As a Health Researcher, a Student of Internal and External Exercises, with the use of natural substances such as, Chinese herbs along with the philosophy of regeneration, it was a 'natural' that I would produce a health related program where I interviewed other experts and authors, such as Dr. Earl Mindell who wrote the Vitamin Bible, still an all time best seller. I wrote a song for his discovery of the miracle Himalayan Goji Berry.

I was also, always researching and looking for that *'ultimate product'* that was better than anything else, and worked beyond anything that we could ever imagine, which I have NOW actually found in a product called **Jusuru**, which is Japanese for '**To Live Long**' and be Healthy. I have produced The Master Force Web-Site for its promotion:

2006-2012 Founder **-** Creator and Producer *of* **Free America Radio Network - FARNet**
The *R*EAL Public Radio .Net
- Prime Time Broadcasting -
An Internet Radio Broadcasting Company

My Prime Objective in producing FARNet was to produce a forum that would be made available to the many grass roots law and American History Researchers that have been desperately trying to find solutions and expose the many wrongs that are going on in America today. Because Inter-Net Streaming is so affordable, it was my intent to create a 'Free Access' Channel to those who may not have access to any other form of radio medium.

Finally, at one point, I was producing seven days a week of law programming, which was my goal, and I had experts on every possible area of law, such as Jack and Margy Flynn, Citizens of The American Constitution .Org; and Neil Price, the number one criminal defense attorney in Pennsylvania, who lost his bar card when he started *Exposing* the corrupt judges and prosecutors.

I produced programming from Ireland, Australia, Canada, South Africa, Scotland, and England.

Having my own radio network also allowed me the freedom to experiment with my own ideas and to perfect my own style of presentation and approach to those things that are important to me, in what I wanted to convey to my own listeners.

MY CURRENT *and* FINAL PROJECT
This is My PRIME OBJECTIVE and what I am destined to fully accomplish, which is...
The most *I*mportant Trans*Literation* of the New Testament within our Modern Time!
All Based upon **The Original-*Thought*** with-in the Original Aramaic Diction, which is all based upon the pericope within words, metaphor, and symbol, or by the images that found within all of parabolic nature.

Kipling Said...
"East is East and West is West, and NEVER the twain shall meet."
This is NOW, NO Longer True !

I HAVE A MAJOR HISTORICAL DISCOVERY
I am the **Sole Discoverer *of The LOST WORDS of JOHN, The Baptist***, that are found hiding deep with-in several un-accounted for and ***Intentionally Mistranslated*** Texts.

MY PREVIOUS HISTORY
Home Builder, Cabinet Maker, General Contractor, Construction Superintendent for Jim Walter Homes / A Guitarist song-writer Street Singer in Las Vegas / A Home Schooler / A Commercial over-the-road Operator in Chemical Transport / A Thirty-five year student of Marketing that created his own nutritional networking company in the 1980's / An American Rights Litigator and former political activist with twenty years of radio interviews / On Easter Evening south of Memphis 1997 I ended up under a squadron of 30 UFO's and then found out where they were all based underground in Jackson MS the next day!

FYI ... ***dezert-owl*** is a spiritual metaphor and was given to me by the graces of the Great Heavenly Father Above, by virtue of my becoming an adept, a translator, etc. All of my friends know me and call me by my first name, **Dezert**. Thank You.
